

Job Posting International Education Co-ordinator – Academic Year Program Portuguese Speaking

Providing international visitors with an opportunity to enrich their lives through a unique Canadian cultural learning experience.

Position:

- **Supports International students** during their academic year study period in Canada.
- **Works with international partners** to **organize** the student's program in Canada.
- **Manages the student process** – application, registration, course selection, and government documentation prior to the student's arrival in Canada.
- **Serves as custodian**, providing **personal support** and **counseling**, **monitors** the student's progress and **oversees their experience** in Canada to ensure overall academic and experiential **success**.
- Work is executed **in-office** (Toronto) **with extensive travel** to various communities across Canada to visit with the students, their schools and host families.

You are:

- Passionate about Canada, and eager to share with young people from other countries.
- Compassionate, service oriented, with exceptional problem-solving skills
- Love to travel – especially to some of Canada's smaller communities
- Quick thinking, detail oriented, organized, with outstanding communication skills
- Bilingual – fully fluent in English and **Portuguese (Brazil)**
- Canadian citizen or Permanent Resident of Canada

You have:

- Post Secondary Education in a related field of study
- Experience with international students, Canadian high school system and Canada Immigration
- A Valid driver's license and ability to transport passengers

Celebrating over 20 years of success, **MLI** is a premier International student placement organization with offices in Toronto and Vancouver providing experiences to students from 15 countries to over 100 communities / 8 provinces within Canada.

MLI is a growing leader in the under 18 International Student market and offers competitive compensation (*starting salary \$42,000 - \$45,000*) and benefits, on-the-job training, cross training, and a supportive team environment. You will be working along-side company owners and decision makers.
